

**OMIE DESIGNATED *NOMINATED ELECTRICITY MARKET OPERATOR* (NEMO) PURSUANT TO COMMISSION REGULATION (EU) 2015/1222, 24<sup>TH</sup> JULY 2015**

The Iberian electricity spot Market Operator (OMIE) has been designated *Nominated Electricity Market Operator* (NEMO) for the purposes provided for in Commission Regulation (EU) 2015/1222, 24<sup>th</sup> July 2015, establishing a guideline on capacity allocation and congestion management (CACM).

The guideline on capacity allocation and congestion management (CACM) lays down the conditions for cross-border trade in electricity within the European Union.

In this context of development of the Internal Energy Market, OMIE, will manage the day-ahead and intraday electricity markets in Spain and Portugal, within the new governance established in Europe for the integration of these short-term markets.

Madrid, 17th December 2015
